

On the last Friday in October - pending any COVID-19 restrictions - we will again be greeting library supporters "in the Stacks" to enjoy food and drink provided by local businesses. Festive gold and silver stars will hang overhead throughout the winter Holiday season. Each of those stars represents a donation that is essential to maintaining library service and programming throughout the year. In addition to the silver and gold stars hanging in the library, your donation will be recognized as a "virtual star" on a special page on our website.

You may indicate text for the "front" and "back" of the "name" card which hangs from the star. (See samples below.) Please provide the following information for each star you order.
